TRAINING

- assisted WFD with rehab unit during confined space training
- deficiency's from POW Drill was that there was not a proper reach on the foam unit nozzle. The nozzle has been replaced and training accomplished.
- NCCIHMR is conducting training, safe trans-confined in hot zone. WFD has been invited to attend.
- Wilmington holding a Mass Causality Drill on 8/12/17
- DEMA holding PIO Training on 8/1/17

EDUCATION & OUTREACH

Participated in the Preparedness night @ the Blue Rocks.

Co-chair Giles said that SERC wants FD's to be trained to be able to go on the site and

Know exactly what chemicals are there and the information needed. NCC FC will have training on 7/20. The 911 Center and Ems will also get training.

EHS FACILITY INSPECTIONS

George reported that the WFD has been doing inspections in Wilmington on different sites. They are finding that some businesses are not reporting hazardous chemicals. They are now having the reporting done and the fees will be paid. Not back fees but from here on. Wilmington has 13 sites reporting to EPCRA.

DEMA

-Avery Dalton reported that there are HMEP monies available. Left over money was rolled over. He said there will be a hazmat drill in 2018..

He also reported that the 2018 Hazmat Workshop has been approved.

Avery reported that there was a confirmed tornado on June 19th in Greenwood.

HAZARDOUS RESPONSES

0 responses to report.

Old & New Business

Dave Irwin reported on the Hazmat Workshop. Attendance was 388 with 36 corporate sponsors Feedback is very good. The tentative dates for this year are 4/6-4/7, 2018. Dave did a presentation on the workshop to the committee.

Dave also reported on Senate bill 68 and how the testimony from Rep. Sen. Ennis has turned things around and the bill is sitting on Governor Carneys desk as we speak.

The next regular meeting of the L.E.P.C. will be held on September 8, 2017 at 22 S. Heald Street , Emergency Operations Center training room at 10:00.

Respectfully Submitted,
Margie Williams, Staff Secretary to the LEPC
